## **Stumbling Into Greatness**

**Rev. Carol Amos M.A. : Stumbling Into Greatness** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stumbling Into Greatness:

1 of 1 people found the following review helpful. She didn't stumble her steps were orderedBy Elizabeth L.This book gave me more insight into the Unity church experience. The author thought she was stumbling but I felt her destiny unfolding from the first time she was embarrassed as a child. As humble as she is in her writing she is in person. Her book has inspired me to go forward with a book that is still in my mind and not on paper. I am looking forward to her next piece of literature. I wish this had been offered for the Kindle.

A book about a personal journey of faith and love.
