Sturmartillerie. Volume 1 (French Edition)

Didier Laugier : Sturmartillerie. Volume 1 (French Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sturmartillerie. Volume 1 (French Edition):

0 of 1 people found the following review helpful. Five StarsBy KRISTEN BROOKSthanks

French TextInitially intended as a single volume edition, this work of encyclopedic proportions by Didier Laugier, will finally appear in a two volume series. Rich in both photographs and text, this first volume presents the development of the assault gun, its production, the various models (with sixteen pages of color profiles), weaponry and equipment,

along with a historical description of most assault gun groups and brigades.
