Swankyswigs (Schiffer Book for Collectors)

Mark Moore M.D : Swankyswigs (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Swankyswigs (Schiffer Book for Collectors):

0 of 0 people found the following review helpful. great photos and detailsBy D. W. MACDOUGALLBought this for my girlfriend and she loves it, great photos and details.0 of 0 people found the following review helpful. Five StarsBy Nancy E. Malcolmexcellent resource for collectors0 of 0 people found the following review helpful. Five StarsBy Marianne Vander ZandenExcellent book, great pictures, complete descriptions.

"Swankyswigs" were introduced by Kraft(R) Foods in 1933. These fun and colorfully decorated glass tumblers held Kraft's cheese products. They were an immediate sales success and their popularity never ebbed. Today they are an avidly sought collectible. This new book chronicles the history of Swankyswigs and offers 230 color illustrations of nearly every style produced, from flowers to sailboats. Also included are several look-alikes . Descriptions and variation lists, and captions with vital information and the current value of the Swankyswigs in today's market make this an important book for the glass collectors library as well as a delight to the eye.

About the Author Mark and Sheila Moore reside in Pennsylvania.
