[Mobile ebook] Swords at the Battle of Waterloo (The British Military Sword Series) (Volume 4)

Swords at the Battle of Waterloo (The British Military Sword Series) (Volume 4)

Harvey JS Withers : Swords at the Battle of Waterloo (The British Military Sword Series) (Volume 4) before purchasing it in order to gage whether or not it would be worth my time, and all praised Swords at the Battle of Waterloo (The British Military Sword Series) (Volume 4):

1 of 1 people found the following review helpful. A comprehensive catalog of swords used during WaterlooBy Kipper SnackThis is a fairly comprehensive account of swords used by the French and Allies during the Battle of Waterloo. I acquired it for reference as I was reading Bernard Cornwell's Waterloo, A History of Four Days. It's divided by nationality and provides much detail about English and French swords. It provides a historical background for the various edged weapons used during the battle with many individual details and color renderings of the various swords. It's about 70 pages in length so perhaps a little pricey for the pages provided.

A brand new book for collectors of British and French Napoleonic swords. With over 300 full colour illustrations and photographs. Glossy softback booklet. Part 4 of a new series on British and European military swords. Contents

include: Historical Background Full colour examples of British and French Napoleonic swords. Sword Makers. Maker Marks. Collecting Napoleonic Swords. Care and Preservation of Napoleonic Swords Book length is 68 pages PLEASE SEE MY OTHER SWORD COLLECTING BOOKS FOR SALE ON AMAZON THESE BOOKS ARE PRINTED ON DEMAND BY AMAZON CREATESPACE PRINTERS
