Not as much information of Terri Lee herself. Would have liked more outfits pictured, and more specific information on the Terri Lee doll through history. About the AuthorA life-long collector of dolls, Peggy Wiedman Casper has spent the past 20 years concentrating her work on Terri Lee dolls. She has traced the Lee family history and conducted extensive interviews with family members, which assisted her in her work on the books and articles she has written on Terri Lee dolls. Peggy has amassed a collection of Terri Lee dolls that she shares with collectors who attend conventions near her hometown of Omaha, Nebraska. She loves all phases of doll collecting from French Brus and Jumeaus, parian, china, and wax dolls, but Terri Lee dolls have dominated her interest.
